## **Contingency Plan**

In the event of heating failure, leak or flooding, the Ganim may have use of the downstairs synagogue hall and the upstairs hall (for Upper Nursery only), providing that they are not being used or have been pre booked.

If we are unable to use either or any of the synagogue halls, we will have no option but to close either Lower or Upper school depending on where the problem is.

### **How will parents be informed?**

If we discover the situation before the start of Ganim we will use the same procedure for Adverse Weather - Emergency Closure.

If the situation occurs during the morning and we are unable to relocate, we will call parents as soon as possible to collect their children.

We are unable to refund for Ganim closures due to circumstances beyond our control.
