Dear Parents,

We would like to remind you that the entrance to the Upper Gan is by way of the sheltered side entrance only, which has been provided to enable you to leave your buggies outside in a covered area.

Entrance to the Lower Gan is at the far end of the car park by way of the sheltered walk way past the kitchen.

Please also note that no Ganim parents should enter or leave via the main shul foyer and that no buggies are allowed inside the main shul premises. This applies to both am and pm sessions.

Many thanks for your co-operation.

Kind Regards

Mary Chambers
