ת"ש 2011

Friday 18th November 2011

Dear Parents,

This week we focussed on the topic, 'all about me'. We discussed our faces eyes, nose, mouth, chin, eye brows and eye lashes. We drew self portraits using the mirror and made foam people which are on our display board. We measured heights and discovered that on the day, Leo was the tallest and Sam was the shortest with many children at similar heights in between. We also sang lots of body songs.

Today we had mitzvah day and every child received a stickers in recognition of the day. Thank you for your generous toy donations, which I am sure will be warmly received by the children they are intended for.

Next week is National Road Safety Week and we will have our own road safety awareness in the Ganim.

Lunch Club

Another successful session! The children were much more independent eating lunch and were excited to start the activities. The children built towers with the giant soft bricks then work together, sharing and organising one very tall tower. Everyone was so engrossed that we forgot to open up at 1:30pm!

Please note that we have amended our Sick Child Policy, please look at it on the website.

Please also note that there has been a case shingles within the parent body.

As you are aware, Mrs Horne has been away on sick leave and will unfortunately not be returning. Miss M Boder is a qualified Nursery Practitioner who will be taking over the Tigger key group from next week. She is already familiar with our Gan, staff and many of our children and we look forward to welcoming her to our team.

Notice Board

Playground Area

As you are aware, we carry out a daily risk assessment. The play ground is the last part of our risk assessment as it is not the first area to be used in the morning.

Often we need caretaker assistance to deal with debris left from other uses of the building.

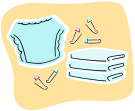

Therefore we must insist that parents do not use the playground as a short cut, in order to allow us to complete our risk assessment.

Thank you for your cooperation in this matter.

Important Reminders

Suitable footwear for Gan

If your child comes into Gan in boots or wellingtons please have a pair of shoes/trainers to change them into for the morning. In our experience we have found boots very restricting especially when climbing the larger apparatus.

- Please ensure your child has on a **CLEAN** nappy in the morning with spare in their bag.
- Please ensure you close the gate for your child's safety.
- Please do not use the playground as a cut through whilst children are play in outside.
- Please re read our Nappy Changing Policy regarding our 'no unnecessary change' policy.

- Remember to sign the green link book and bring it in every day.

- Please make sure your child has warm outdoor wear and that **ALL** coats, hats and glove are **CLEARLY** named.

- Please make sure all boys have a **CLEARLY NAMED** kippah in the Basket.
- All boys who are dry should be wearing tzitzit to Gan.

Half term is Monday 21st and Tuesday 22nd November

Wishing you all Shabbat Shalom שַׁבַּת שְׁלוֹם

Ms D Boder-Cohn

Friday 18th November 2011

Dear Parents,

We finished our topic on 'all about me.' We hope you like our booklets, they are very informative and a special treasure to keep!

We baked smiley face biscuits on Tuesday.

Today we celebrated mitzvah day in Gan. Thank you for your help with this, we spoke about where the presents are going to, and how they will help make another child happy.

After half term, it is national road safety week; therefore we will be looking at our own road safety awareness in Gan.

We are pleased to say, that we have appointed a qualified practitioner to join our team, and be based in the Orange class. Miss Abby Curshen will start with us towards the end of November. We very much look forward to welcoming her into our Gan.

Mazel Tov to Shani Brazil and family, on the birth of a baby girl.

Please note that we have amended our Sick child policy, please look at it on the website.

Please also note that there has been a case shingles within the parent body.

Notice Board

Playground Area

As you are aware we carry out a daily risk assessment. The play ground is the last part of our risk assessment as it is not the first area to be used in the morning.

Often we need caretaker assistance to deal with debris left from other uses of the building.

Therefore we must insist that parents do not use the playground as a short cut, in order to allow us to complete our risk assessment.

Thank you for your cooperation with this.

As the weather is getting colder, please send in warm outdoor wear, coat, hat, gloves etc. Please label all items.

Please do not send your child into Gan if they have a bad cough or cold. Children at this young age catch things very easily, and will not benefit from being at Gan if they are under the weather. If your child is on antibiotics, please make sure you keep them at home for the first 48 hours of taking the medicine.

Please remember to send in your Childs link book, and inform us of any changes.

Half term- Monday 21st and Tuesday 22nd November

Shabbat Shalom,

Mrs D Spector
