Dear Parents,

This week we focused on Succot, making pictures of a succah and fruit. The children have settled well and are enjoying the increasing variety of resources and activities offered. With our computer now fixed we are able to access suitable programmes to enhance our topics, which the children really enjoy.

We seem to have a very musical group and all the children adore every opportunity to have singing session!

Next week is only a two day week and we will then break for Succot and Simchat Torah, returning to Gan on Monday 24th October.

Please read the letters given out about the new Lunch Club for Lower Gan children.

Dear Parents,

This week we have been focusing on Yom Kippur and Succot.

We have been looking at social story pictures which discuss the idea of saying 'sorry' and what this means. We have spoken about the story of Yonah (Jonah) and the big fish. We created a white collage, sandals, and started learning about Succot.

Please bring in any empty tissue boxes, shoe boxes or kitchen towel rolls.

The afternoon session have been making succah decorations, and enjoyed collecting leaves to put on the succah. We have also discussed the autumn weather and change of leaves!

Next week we are in Gan on the Monday and Tuesday, we will be finishing of our Scucot and Simchat Torah projects.
