Dear Parents,

Welcome to the start of a new academic year. I hope you have all had a wonderful summer and are ready for an exciting term ahead.

The children in Lower Gan have been slowly settling in and exploring their new environment. We have deliberately set out the same sort of equipment to promote familiarity. As the children settle we will be changing the resources set out in order to provide a variety and aid development. All children will start at 9.30am from next week 12th Sept.

Over the coming weeks we will be getting to know the children through observations and discussion. Each Key Teacher will then plan for progression so that each individual child is catered for in a fun and enjoyable way.

Those of you who met Mrs Stepsky in July will have realised that she has not returned to the Gan this term. We would like to warmly welcome Mrs Horne to the Ganim, who will be taking over the Tigger key group. Mrs Horne is an experienced teacher whom the children have already begun to bond with and we look forward to working with her.

Friday 9th September 2011

Dear Parents,

Welcome to a fresh new term.

We are pleased to say that our children are settling in well.

This week we have been focusing on getting used to our morning routine, who we all are and where things are in the upper Gan.

We have been learning our golden rules. Come in and see them on our display board.

We have been playing with a variety of toys, enjoying our sand, exploring how we make playdough, and the creations we can form from it.

Next week we will begin our topic of Rosh Hashana. On Tuesday we will make toast with honey as part of our snack. If any child is unable to have this, please let us know.

Link book

You should all have received the link book, please remember to bring this into Gan every day and hand it to the teacher. The linkbook is not a daily update. It is for both of us to communicate any information of importance or concern. Please sign any new entries.
