Autumn Term

Road Safety Week

We have dedicated road safety week to teach the children about this very important subject.

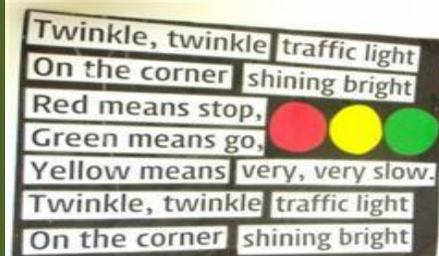

We have been using role play to get the message across and using our zebra crossing, traffic lights and stop go resources, we have been practicing safe crossing always holding an adult's hand.

The children have enjoyed making traffic lights and stop/go signs which they have been proudly using.

They also enjoyed baking and icing biscuits in traffic light colours.

All our songs and stories reflected the road safety topic, ask them to sing you the 'Twinkle, twinkle, traffic light' song!

Oak class even managed to get some mathematic experience with the playground cars, learning about furthest/nearest.
