

# Minibeasts

**February 2016**

**Adar 5776**

Please make sure you keep us informed of any change of details e.g. address, telephone or mobile numbers, allergies or health issues etc.

Please bring in a few pennies for Tzdakah.

Please remember to bring the green book into Gan every day. Please sign any entries to show you have read them.

- For our Mini Beasts Topic Oak, Willow and Elm classes had snail, ant and worm farms to construct and study, which the saplings class were also able to observe.
- Each class had to clean and care for the farms until releasing the mini beasts at the end of the topic.
- The children studied all manner of insects including those preserved in Perspex as well as plastic mini beasts.
- Art work included spaghetti worms, paper plate ladybirds, caterpillar necklaces, clay snails and worms, paper plate spiders, egg box bees, woolly worms and butterfly painting.
- Songs, stories and role play were all centred around the topic

## Letters & Sounds

The classes continue to practice letter sounds using the Metal Mike boxes with props, environmental and instrumental sounds.
